Pain Management for People Living with Dementia

Join us as guest speaker Melissa Sockanowich (RPN) from the Behavioural Supports Ontario team will share insights about recognizing signs of pain in people living with dementia as well as current approaches to pain management. This presentation is intended for care partners supporting individuals living with dementia.

Wednesday February 23rd

2:00pm-3:00pm

To register: click [here](#) (this is a virtual event on Zoom)

Please call 1-888-343-1017 with any questions
