## APRIL PUBLIC LECTURE:

# Staying Safe while Navigating the Dementia Journey

There are many resources available to help someone living with dementia to live safely, which can sometimes add unnecessary confusion.

Our guest speaker, **Maggie Scanlon (Alzheimer Society of Ontario)** will discuss what some of these resources are and where you can find them to help support someone living with dementia to continue to live well in their community and at home.

## April Public Lecture

Staying Safe while Navigating  
the Dementia Journey
