***May Public Lecture: Adjusting to Long-Term Care
The Unique Needs of the First 3 Months After Moving***

Moving for anyone is a stressful life event. Moving into long-term care for someone who has dementia presents with its own unique stressors. Join **Kathie Poitras, Psychogeriatric Resource Consultant**, in this interactive webinar as she shares tips and ideas on how to plan the transition to a new living environment to be as dementia friendly as possible, whether it is a long-term care home or a memory care floor.
