## June Public Lecture: Making Respite Visits Beneficial for Everyone

As a staff person, providing respite for a person living with dementia can sometimes leave us with not knowing what to do or what to say. Join Laurie Ball, **Social Programs Coordinator with the Alzheimer Society** for a discussion on how to make these visits enjoyable and valuable for all of those involved. We will provide tips and strategies for making respite visits something to look forward to.

**Target Audience:** PSW's, Retirement Home Staff, Respite Care workers, anyone visiting a person living with dementia

**Tuesday June 28<sup>th</sup>, 2022**

**3:00pm-4:00pm**
