(Questions with Answers)

1. How many months have 31 days: 5 or 7?

Answer: 7. January, March, May, July, August, October, and December all have 31 days.

2. What is the third race in horse racing's Triple Crown: the Kentucky Derby or the Belmont Stakes?

Answer: The Belmont Stakes. It is the longest of the races in the Triple Crown. The track is one and a half miles in length.

3. Which color is a primary color: white or blue?

Answer: Blue. There are three primary colors: red, blue, and yellow. The primary colors are the basis of all colors of the rainbow.

4. In what country is Mt. Rushmore National Memorial: Mexico or the United States?

Answer: The United States. Mt. Rushmore National Memorial is part of the National Park Service. The monument itself depicts four presidents who represented the nation's birth, growth, development, and preservation.

5. How many innings are in a regulation baseball game: six or nine?

Answer: Nine. The longest game in Major League Baseball history—26 innings—took place in 1920. The game between the Boston Braves and Brooklyn Robins ended in a tie after it had become too dark to play.

6. What World War II pinup girl insured her legs for one million dollars: Marilyn Monroe or Betty Grable?

Answer: Betty Grable. Her legs were insured by 20th Century Fox as a publicity stunt. Grable's gams were referred to as a major Hollywood landmark in an article in *Life* magazine.

7. What fast food chain is associated with a clown mascot named Ronald and golden arches: Wendy's or McDonald's?

Answer: McDonald's. The clown character Ronald McDonald first appeared in TV commercials in 1963 and was played by Willard Scott. The golden arches have been around longer; they were part of the original design of their buildings and represent stability.

8. What type of animals are Clydesdales: cats or horses?

Answer: Clydesdales. Clydesdales are most recognizable for their size. They stand between five feet three inches and six feet tall at their shoulders, and weigh approximately 2,000 pounds.

9. What animal is native to Australia: white-tailed deer or kangaroo?

Answer: Kangaroo. The kangaroo is also native to New Guinea. The kangaroo is as common in Australia as the white-tailed deer is in North America.

10. What actor starred in both *Guess Who's Coming to Dinner* and *To Sir, with Love*: Steve McQueen or Sydney Poitier?

Answer: Sydney Poitier. The Academy Award-winning actor was the first Black and Bahamian to win the prestigious award.

11. Finish the advertisement slogan: "See the USA in your _____."
Ford or Chevrolet?

Answer: Chevrolet. During the 1950s, Chevrolet sold over 13 million cars.

12. What child star danced with Bill “Bojangles” Robinson in the movie *The Little Colonel*: Sara Gilbert or Shirley Temple?

Answer: Shirley Temple. *The Little Colonel* was the first time Temple and Bojangles performed together. They went on to star in three more movies together.

13. Which famous kids’ toy is named after a U.S. president: the Frisbee or Lincoln Logs?

Answer: Lincoln Logs. Lincoln Logs were modeled after the Imperial Hotel in Japan. The hotel was designed with interlocking beams, making it earthquake-proof.

14. True or false? Turducken is a combination of turkey, duck, and chicken.

Answer: True. The dish is said to be the creation of a Cajun chef. The dish was popularized in the United States by John Madden, who featured the dish during a telecast of a National Football League game in December 1996.

15. During weddings, it is tradition for a bride to wear something old, something new, something borrowed, and something red or something blue?

Answer: Something blue. The saying is derived from an old English saying that is believed to bring good luck. The “something old” represents the couples’ past lives, while “something new” symbolizes their happy future. “Something borrowed” is a way to incorporate an item belonging to someone who is happily married, in the hopes that some of their good fortune rubs off. “Something blue” represents fidelity and love.
