*The Gertrude Cetinski Lectureship 2022*

**Why Dementia Friendly Communities Matter**

In recognition of World Alzheimer’s Day, we are proud to host **Dr. Anthea Innes** as she shares an international perspective on the impacts of communities that have shifted to make their physical and social environments more supportive of persons living with dementia. She will convey the value of involving those living with the disease to be a part of change.

**Date:** Thursday September 22<sup>nd</sup>, 2022  
**Time:** 7:00pm-8:15pm  
**Location:** Art Gallery of Burlington (1333 Lakeshore Rd, Burlington)  
**Parking:** free (via Elgin Street)  
**RSVP:** 1-888-343-1017 (limited seating)

**Dr. Anthea Innes**  
 McMaster University  
 Professor Health Aging and Society  
 and Gilbreath Chair in Aging and Mental Health
