The Gertrude Cetinski Lectureship 2022

Why Dementia Friendly Communities Matter

In recognition of World Alzheimer's Day, we are proud to host **Dr. Anthea Innes** as she shares an international perspective on the impacts in communities that have shifted to make their physical and social environments more supportive of persons living with dementia. She will convey the value of involving those living with the disease to be a part of change.

Date: Thursday September 22nd, 2022
Time: 7:00pm-8:15pm
Location: Art Gallery of Burlington (1333 Lakeshore Rd, Burlington)
