Program Descriptions

Minds in Motion— once registered, this weekly program promotes both physical and cognitive health in a safe environment for persons living with dementia and their guest.

Game Time— once registered, this drop in program is an opportunity for persons living with dementia and their guest to have some fun playing a variety of games. From table games to small group matches, this is a pure fun time in a dementia safe environment.

Laughter Yoga— once registered, this weekly online drop-in program offers laughter yoga as a unique exercise routine that combines unconditional laughter with yogic breathing (Pranayama). It is open to caregivers, persons living with dementia and the general public.

Down Memory Lane— once registered, this drop in program for persons living with dementia and their guest is a chance to re-visit and share your life experiences. Join with others and recollect those life moments that we all have in common.

Lets Get Together— a drop in program for persons living with dementia and their guest. Get to know others in your community over a cup of coffee or tea.

Brain and Body work— once registered, this weekly community based program promotes physical and cognitive health in a dementia safe environment.
