

## Let's TALK about Dementia:

Each session we discuss one of the lesser known forms of dementia.

In each session we will examine a lesser known form of dementia, providing caregivers and professionals with a deeper look at the specific changes in the brain and strategies for care as they pertain to each type.

All sessions are offered Wednesdays, 2:00pm-3:00pm

### **October 6th:**

Frontal Temporal Dementia

### **October 20th:**
