EZ Does It Trivia

(Questions with Answers)

1. Which animal has black and white stripes: elephant or zebra?

Answer: Zebra. A zebra's stripes are as unique as a human fingerprint.

2. Which bone is found in your leg: vertebrae or femur?

Answer: Femur. The femur is the longest bone out of all 206 bones present in the adult human body.

3. How many days are in the month of February when it is *not* a leap year: 31 or 28?

Answer: 28. Of all the months, February has the shortest number of days.

4. Which instrument is larger in size: the piccolo or the tuba?

Answer: The tuba. Tubas are heavy and vary in size; they can weigh between 30 to 50 pounds.

5. Which singer was a member of the Rat Pack: Elvis Presley or Dean Martin?

Answer: Dean Martin. The Rat Pack was a group of entertainers who called their home for performances the Copa Room at the Sands in Las Vegas.

6. In the movie *The Wizard of Oz*, Dorothy meets which character traveling to the Emerald City: Scarlett O'Hara or the Tin Man?

Answer: The Tin Man. In the movie, when the Tin Man cried out for oil, production used chocolate syrup because it looked better on film.

7. Hosted in February, what sporting event is considered the biggest media event in American sports each year: the World Series or the Super Bowl?

Answer: The Super Bowl. The Super Bowl has been played annually for over half a century, and in that time it has never been canceled.

8. A library is a place where you can borrow which items: bike tires or books?

Answer: Books. A library in Australia currently holds the record for the longest overdue book—122 years.

9. What does a barber do: fix shoes or cut hair?

Answer: Cut hair. Did you know a person sheds approximately 50–80 hairs per day, and shedding increases in the fall and spring seasons? Additionally, women’s hair grows at a faster rate than men’s.

10. The Daytona 500 is the start of what sports season: football or stock car racing?

Answer: Stock car racing. NASCAR started officially in 1948 with Bill France, who drove stock cars. The first race was on the beaches of Daytona.

11. To what instrumental family does a cymbal belong: brass or percussion?

Answer: Percussion. **Fun fact:** Snare drums were used at one time to send coded messages to soldiers.

12. Madrid is the capital of what country: Canada or Spain?

Answer: Spain. Madrid is home to the world’s oldest restaurant, which dates back to 1725.

13. Boeing is known for manufacturing what: kitchen appliances or aircraft?

Answer: Aircraft. Boeing is an American aerospace company and one of the foremost manufacturers of commercial jets.

14. Which animal do people in North America turn to each year to predict whether there will be six more weeks of winter: woodpeckers or groundhogs?

Answer: Groundhogs. Did you know groundhogs are the only rodent with a named national holiday?

15. Which type of smaller boat is known for helping larger ships navigate tight spaces: a row boat or a tugboat?

Answer: Tugboat. The first tugboat was used in Scotland.
