

Public Lecture

Making Moments Matter

Attention families, friends and professionals working to support a person that is living with dementia:

Do you struggle to find suitable and engaging activities?

This month, Laurie Ball, Social Program Coordinator, will share knowledge, tips and strategies to improve connections. Laurie will also share resources that the Alzheimer Society has available to help make moments matter.

Tuesday Feb. 28th, 2023
online, through Zoom
7:00pm-8:15pm
