Choices in Care

Care partners are invited to join us as we explore various care options available to you to support the person living with dementia as their care needs increase

By attending this session, participants will learn:

- Have a better **understanding** of when it is the **right time** to explore options for increased care
- Discuss and **learn** the **differences** between retirement homes and long term care homes
- Discuss the idea of how to **increase care** within the home to age in place
- Look at the **application process** for long term care
- What to do** while waiting for an offer of a room in long term care
- The **planning needs** in preparation for the day of the move into long term care

Dates: Thursday, September 21st

Time: 6:30pm-8:00pm

Location: Online Zoom meeting
