

Dice & Card Matching Game

This simple card and dice game works well

Objective

- Foster social interaction
- Stimulate cognitive abilities
- Promote fine motor skills among

Materials

- Deck of cards (with numbers 1-6 only)
- Dice (one per player)

Instructions

1. Deal cards face up to each player, ensuring an even distribution. Set aside any extras.
2. Players take turns rolling a die.
3. If the die matches a card number, flip that card.
4. The first player to flip all their cards wins!

*Note: To make it easier for memory care participants, allow them to flip all cards with the same number as the die roll. E.g., if they roll a 4, flip all '4' cards.
