

Hopscotch Dice Game

Play for fun or play for prizes! 2 games with about 7 – 10 players takes approximately 1 hour

Materials

- Game Sheet
- Dice
- Pawn per player

Object of the Game

- By rolling the dice and moving their pawn, be the first player to “hop” up the numbers on the game board and then “hop” back down the numbers on the game board.
- The first player to make it all the way up to 12 and back down to 1 wins the game.

Rules

- Each player takes a turn rolling the dice. Players need to roll a 1 to start and then proceed to next number etc.
- Numbers must be rolled in order to be able to move to the next square.
- As players are moving their pawn along the game board, once a player has reached 6, they receive a second dice to continue.
- Once a player has reached 12, they move their pawn to the “Rest Area” and must roll a 12 again to continue in reverse down the game board.
- Once a player has made it back down to 7, player must give back a dice and continue the rest of the board with one dice.
- The first player to go all the way up and back down to 1 winds the game.
