Dementia-Friendly Communities: Faith-based communities

A Dementia Friendly Community is a place where people living with dementia and their care partners are welcomed, included, and supported. It is a community that pays attention to the social and physical needs of the person living with dementia. This webinar is ideal for members of faith groups to find out how you can create a dementia friendly community.

This presentation will cover:

- Understanding dementia and the lived experience
- The common signs of dementia
- Strategies for interaction

Date: May 23, 2025, at 10:00am-11:00am (Eastern Time)

Intended audience: General Public, Care Partners, Health Care Providers
