Dementia-Friendly Communities

A Dementia-Friendly Community is a place where people living with dementia and their care partners are welcomed, included, and supported. It is a community that pays attention to the social and physical needs of the person living with dementia.

This presentation will cover:

- Understanding dementia and the lived experience
- The common signs of dementia
- Strategies for interaction

Date: July 10, 2025, at 12:00pm-1:00pm (Eastern Time)

Intended audience: General Public, Care Partners, Health Care Providers

Dementia Overview

This presentation will discuss the difference between changes that come with normal aging and when something is not normal, reversible causes for these changes, and a general understanding of dementia. It also will cover the different types of dementia, progression, and knowledge of dementia symptoms and their impact on the person living with dementia.

Date: July 15, 2025, at 1:00pm-2:00pm (Eastern Time)

Intended audience: General Public, Care Partners, Health Care Providers

Upcoming Webinars on ALZeducate | July 2025

Meaningful Activities

This webinar helps care partners of a person living with dementia in mid-to-late stages to develop and participate in meaningful activities. The goal is to provide practical ideas on how participants can spend quality time together by identifying and drawing upon the person's remaining strengths.

Date: July 17, 2025, at 10:00am-11:00am (Eastern Time)

Intended audience: Care Partners, Health Care Providers

[Click here](#) to register.

Communication for Care Partners

This webinar will focus on providing participants with the knowledge of how communication can change over the course of the disease and ways to supportively communicate with a person living with dementia. Learning Objectives: Understand communication basics, recognize the impact dementia has on communication, and develop strategies to improve communication.

Date: July 18, 2025, at 10:00am-11:00am (Eastern Time)

Intended audience: Care Partners, Health Care Providers

Person-Centred Care

This workshop will introduce you to the idea of person-centred care and provide you with time to reflect on and discuss with others how to use person-centred care in your work. You are encouraged to identify actions you can take to provide person-centred care to the people you support. This is an interactive session. Your participation will be encouraged.

Date: July 22, 2025, at 1:00pm-2:00pm (Eastern Time)

Intended audience: Health Care Providers, Care Partners
