

## Upcoming Webinars on ALZeducate | **October 2025**

### **ALZeducate offers free, online dementia education!**

Here is a list of upcoming webinars. *(When clicking the direct links below, you will be prompted to sign-in to your ALZeducate account, or create an account, if you do not already have one.)*

#### **Dementia-Friendly Communities**

A Dementia-Friendly Community is a place where people living with dementia and their care partners are welcomed, included, and supported. It is a community that pays attention to the social and physical needs of the person living with dementia.

This presentation will cover:

- Understanding dementia and the lived experience
- The common signs of dementia
- Strategies for interaction

**Date: October 1, 2025, at 2:00pm-3:00pm (Eastern Time)**

**Intended audience: General Public, Care Partners, Health Care Providers**

[Click here](#) to register.

#### **Webinar Series: Screening and Assessment Tools for IDD and Dementia**

The NTG-EDSD is a dementia screening tool that has been developed specifically for use with people who have an intellectual disability. This webinar provides information on why and how to use the tool. It's a widely accessible tool for anyone supporting those aging with intellectual disabilities. This series is facilitated through a collaboration with an NTG Canadian Consortium approved Provincial Trainer.

Facilitator: Paula Frappier, B.Sc.O.T. (c)

**Date: October 2, 2025, at 3:30pm-4:30pm (Eastern Time)**

**Intended audience: Health Care Providers, Care Partners**

### **Aging and the Senses**

This presentation will cover sensory changes that occur with aging, reflecting on what a person may experience physically as they age, and identifying issues related to activities of daily living and/or instrumental activities of daily living for aging clients/residents.

**Date: October 9, 2025, at 10:00am-11:00am (Eastern Time)**

**Intended audience: Health Care Providers, Care Partners**

[Click here](#) to register.

### **Vascular Dementia: An Overview**

Vascular dementia is the most common type of dementia after Alzheimer's disease. This webinar will provide an overview of the different causes of this type of dementia, support strategies and resources.

**Date: October 15, 2025, at 12:00pm-1:00pm (Eastern Time)**

**Intended audience: General Public, Care Partners, Health Care Providers**

[Click here](#) to register.

### **Person-Centred Care**

This workshop will introduce you to the idea of person-centred care and provide you with time to reflect on and discuss with others how to use person-centred care in your work. You are encouraged to identify actions you can take to provide person-centred care to the people you support. This is an interactive session. Your participation will be encouraged.

**Date: October 15, 2025, at 5:00pm-6:00pm (Eastern Time)**

**Intended audience: Health Care Providers, Care Partners**

[Click here](#) to register.

## Upcoming Webinars on ALZeducate | **October 2025**

### **Webinar Series: Health Advocacy for People aging with an Intellectual Disability**

This webinar focuses on the use of health care advocacy when someone with an intellectual disability has dementia and may need supports. It also covers the importance of how to assist someone in getting a good quality diagnosis. This series is facilitated through a collaboration with an NTG Canadian Consortium approved Provincial Trainer.

Facilitator: Paula Frappier, B.Sc.O.T. (c)

**Date: October 16, 2025, at 3:30pm-4:30pm (Eastern Time)**

**Intended audience: Health Care Providers, Care Partners**

[Click here](#) to register.

### **Meaningful Activities**

This webinar helps care partners of a person living with dementia in mid-to-late stages to develop and participate in meaningful activities. The goal is to provide practical ideas on how participants can spend quality time together by identifying and drawing upon the person's remaining strengths.

**Date: October 20, 2025, at 2:00pm-3:00pm (Eastern Time)**

**Intended audience: Care Partners, Health Care Providers**

[Click here](#) to register.

### **Working in Long Term Care Series: Session 1 - Adjusting to Long Term Care**

Learn about strategies to support the person living with dementia and their care partner(s) as they adjust to moving to Long Term Care. This webinar looks to address the challenges that come with the adjustment to moving to Long Term Care, to reflect on the importance of validating feelings, and learn strategies that support communication with the family members of people living with dementia.

**Date: October 23, 2025, at 10:00am-11:00am (Eastern Time)**

**Intended audience: Health Care Providers, Care Partners**

[Click here](#) to register.

## Upcoming Webinars on ALZeducate | **October 2025**

### **Young Onset Dementia**

This presentation will focus on distinguishing Young onset dementia from Late onset dementia, developing a basic understanding of the genetic component of Young onset dementia, recognizing the impact of Young onset dementia on the individual and the family, and developing an understanding of supportive strategies and services in the community.

**Date: October 23, 2025, at 2:00pm-3:00pm (Eastern Time)**

**Intended audience: General Public, Care Partners, Health Care Providers**

[Click here](#) to register.

### **Exploring the Warning Signs**

This webinar will touch on the differences between normal and not normal aging leading to an exploration of the 10 warning signs of dementia.

**Date: October 30, 2025, at 11:00am-12:00pm (Eastern Time)**

**Intended audience: General Public, Care Partners, Health Care Providers**
