Dementia-Friendly Communities: Hearing Services

A Dementia-Friendly Community is a place where people living with dementia and their care partners are welcomed, included, and supported. It is a community that pays attention to the social and physical needs of the person living with dementia. This webinar is ideal for members of hearing services (retail or support organizations) to find out how they can create a dementia-friendly community.

This presentation will cover:

- Understanding dementia and the lived experience
- The common signs of dementia
- Strategies for interaction

Date: November 3, 2025, at 3:00pm-4:00pm (Eastern Time)

Intended audience: General Public, Care Partners, Health Care Providers
