BRANT, HALDIMAND NORFOLK,
HAMILTON HALTON

February 24, 2026

ATTENTION: Activity Kits

The Alzheimer Society of BHNHH will be making a small change to our Activity Kit program.

Activity Kits will now be sent out **quarterly** instead of monthly. This change will help us to better manage the time and costs involved in preparing and delivering the kits.

Moving forward, we will be sending Activity Kits in:

- January
- April
- July
- October

If you are no longer interested in receiving the quarterly Activity Kits, please contact us to let us know.

If you are interested in more activities, we have many Activity Kit sheets available on our website: <https://alzda.ca/activity-kits/>

Each of our locations have lending libraries that include games and activities for borrow. Please contact your local office if you are interested.

Thank you so much for your continued interest and support with this program. We truly appreciate it!

Thank you,

Darin Kirchin, Manager of Support Services RSW
