

# Diceo 3-Dice Game

A simple and fun dice game that's easy for everyone to enjoy.

## Materials Needed:

- 3 large dice
- Paper and pen for scorekeeping

## Players:

- 2 to 8 players

## Instructions:

1. Play for 10 rounds. At the end, the player with the highest total score wins.
2. On each turn, roll the 3 dice one at a time.
3. Add the numbers together for your score.
4. If two dice show the same number, double your total score for that round.
5. If all three dice are the same, triple your score and take an extra turn.
6. Write down each person's score at the end of every round, keeping a running total.
