

## Upcoming Webinars on ALZeducate | April 2026

### **ALZeducate offers free, online dementia education!**

Here is a list of upcoming webinars. *(When clicking the direct links below, you will be prompted to sign-in to your ALZeducate account, or create an account, if you do not already have one at alzeducate.ca.)*

#### **Dementia Capable Environments in the IDD population**

Environment is a key element to providing ongoing supports to people who have dementia, including for those with Intellectual and Developmental Disabilities (IDD). Consideration needs to be given to accessibility concerns as physical abilities are lost, but also to safety concerns. This webinar will also offer suggestions about environmental changes that support sensory losses and behavioral changes in this population.

**Date: Thursday, April 2, 2026, at 3:30pm-4:30pm (Eastern Time)**

**Intended audience: Health Care Providers, Care Partners**

## Upcoming Webinars on ALZeducate | **April 2026**

### **Dementia-Friendly Communities**

A Dementia-Friendly Community is a place where people living with dementia and their care partners are welcomed, included, and supported. It is a community that pays attention to the social and physical needs of the person living with dementia.

This presentation will cover:

- Understanding dementia and the lived experience
- The common signs of dementia
- Strategies for interaction

**Date: Tuesday, April 21, 2026, at 12:00pm-1:00pm (Eastern Time)**

**Intended audience: General Public, Care Partners, Health Care Providers**

**To Register:** [Click here](#)

### **Aging and the Senses**

This presentation will cover sensory changes that occur with aging, reflecting on what a person may experience physically as they age, and identifying issues related to activities of daily living and/or instrumental activities of daily living for aging clients/residents.

**Date: Wednesday, April 22, 2026, at 10:00am-11:00am (Eastern Time)**

**Intended audience: Health Care Providers, Care Partners**

**To Register:** [Click here](#)

### **Lewy Body dementia and Parkinson's disease- Supporting this Journey as a Health Care Provider**

Building on the learning points from the Overview webinar for the General Public, this session will provide health care workers with a very brief review of Lewy Body dementia and Parkinson's disease, then offer opportunities for case scenario work.

**Date: Thursday, April 23, 2026, at 12:00pm-1:00pm (Eastern Time)**

**Intended audience: Health Care Providers, Care Partners**

**To Register:** [Click here](#)

## Upcoming Webinars on ALZeducate | **April 2026**

### **Communication for Care Partners**

This webinar will focus on providing participants with the knowledge of how communication can change over the course of the disease and ways to supportively communicate with a person living with dementia. Learning Objectives: Understand communication basics, recognize the impact dementia has on communication, and develop strategies to improve communication.

**Date: Monday, April 27, 2026, at 3:00pm-4:00pm (Eastern Time)**

**Intended audience: Care Partners, Health Care Providers**

**To Register: [Click here](#)**

### **Frontotemporal dementia**

This umbrella term refers to a group of rarer disorders that primarily results in changes in personality and language. Join us to explore a deeper understanding of these dementias and learn of available resources.

**Date: Wednesday, April 29, 2026, at 10:00am-11:00am (Eastern Time)**

**Intended audience: General Public, Care Partners, Health Care Providers**

**To Register: [Click here](#)**
