Upcoming Special Events

First Responders and Dementia: Beyond the Emergency-Building Awareness and Understanding

People living with dementia can face unique risks related to living safely in the community, including missing incident situations. Timely, informed, and coordinated responses can play a critical role in supporting safety and well-being. This webinar will bring together first responders and individuals with lived experience to explore the challenges associated with dementia-related safety concerns and missing incidents, while discussing practical approaches to enhancing safety and support.

Participants will gain a better understanding of the roles of police, paramedics, fire services, and search and rescue personnel, while learning strategies to support safer outcomes for people living with dementia. The session will also highlight the importance of community resources, prevention planning, and collaboration among first responders, people living with dementia, care partners, and community organizations.

Moderators:

Ron Beleno

Paul Lea

Sam Noh

First Responder Panelists:

Fire: Kim Destun, Chief Fire Prevention Officer - St. Thomas Fire Department

Paramedic: Patty Sinn

Police: George A. Knezevic

Police-Search and Rescue: Sgt. Brendan Magee. Search and Rescue Coordinator - Ontario Provincial Police

Date: Tuesday, November 17, 2026, at 1:00pm-3:00pm (Eastern Time)/ 12:00pm - 2:00pm (Central Time)

Intended audience: General Public, Care Partners, Health Care Providers
